

REMARKS

Claims 1 and 5-7 are all the claims pending in the application.

Applicant hereby submits this Supplemental Amendment Under 37 C.F.R. § 1.111 and respectfully requests entry and consideration thereof by the Examiner. Applicant previously filed an Amendment on April 15, 2005 in response to the Non-Final Office Action dated March 7, 2005. The present Supplemental Amendment is filed with four sheets of replacement figures, which Applicant believes may have been inadvertently omitted from the previous response.

As stated in the Amendment filed April 15, 2005, Applicant respectfully requests that the Examiner reconsider and withdraw the objection to the drawings in view of replacement Figures 1-4.

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,
